Select individual beads made from the finest quality precious metals and stones. Chamilia's manufacture has over 35 years of experience and only uses the highest quality sterling silver, 14k gold and Swarovski crystals.

Chamilia's designs are handmade by experienced craftsman.

The large and growing collection of symbols, flowers, animals, zodiac signs and birthstones make for an endless variations and combinations, allowing the jewelry to tell ones own story. One can start with just one bead or add as many beads as desired.

*To care for your fine jewelry, do not put in sterling silver cleaner, hot tubs or pools. Chamilia's anti-tarnish silver only needs to be cleaned with a soft cloth.*

## Expressing Yourself is as Easy as A,B,C.

There is no better way to express yourself than by designing your own personal Chamilia beaded charm jewelry. Give your bracelet, necklace or anklet a casual look by using sterling silver beads or make it more formal with 14 karat gold beads. Creating your own Chamilia jewelry is as easy as A-B-C!

A) Design your style by selecting a chain, then add beads.

B) Twist each bead onto the chain until you're satisfied with the look you desire. Add as many beads as you like, or just a few. You choose the full look or movement in each section.

C) Secure your design with decorative locks that keeps your beads from sliding across the chain. The beads will still swivel on your chain with movement.

### Start Enjoying Your Chamilia Creation!

If desired, rearranging your bracelet, necklace or anklet is easy. Simply unlock the locks and remove your beads and start over.

Chamilia's anti-tarnish silver only needs to be cleaned with a soft cloth.  
**Do not put in Sterling Silver Cleaner, Hot Tubs or Pools.**
